

SITE CHARACTERIZATION SAMPLING
FOR CONTAMINATED MATERIAL MANAGEMENT PURPOSES
CONSTRUCT R-11 PARKING

TRUAX FIELD
MAY 28, 2020

For project XGFG 182013 no soil and groundwater samples will be collected. The limited planned activities to two additional asphalt paved parking spaces will create no soil/groundwater disturbances. Therefore, no sampling is needed for this project as shown as location 5 on the attached map.
